

**Berendo** <sup>® MD</sup>

*Unique gift ideas for your 2011  
Christmas Season!*

**Berendo specializes in Premium Fair Trade, Organic Espressos and Coffees.  
This year, we are offering four exciting gift packages to suit all budgets.**

**These gifts are a mix of the following superb products:**

#### Berendo Espressos and Coffees

Our espressos and coffees are available in strong, medium, and decaf roast. They are roasted for Berendo by "Le Transit" a socially responsible company. Like Berendo, Le Transit is dedicated to offering high quality products and consistent freshness as they adhere to ISO 9001:2008. The plant is certified both organic and kosher.

#### Northern Delight Fine Inuit Herbal Teas

Avataq is a non-profitable organization, dedicated to the protection and advancement of the language and culture of the Inuit of Nunavik. Northern Delight Herbal Teas are 100 % natural.

Following last year's success, we are again including the succulent and scrumptious **Jamaican Rum Cakes** by Jamaican born Eslin Jones. Eslin's dark spongy homemade cakes are a labour of love, rich in flavour and baked in small batches with the finest of 100% natural ingredients. Eslin's recipe has been in her family for generations.

To add to our exciting collection, we are debuting high quality, vitrified and glazed 12 oz **white porcelain cups**. These cups are made with care by Corona of Bagota, a 130 year old company whose reputation is next to none. Corona offers the highest standard in production and adheres to the ISO 9001 and ISO 14001 norms.

We are introducing another new arrival this year prepared by the Berendo team themselves: fresh Berendo coffee and maple syrup coated walnuts baked in small batches. These delectable treats are made with 100% natural ingredients. Delightfully packaged in a transparent cone.

Finally, an **18/10 stainless steel measuring scoop** to ensure you have an accurate amount for brewing your morning coffee.

These gift offerings are packaged in a beautiful Christmas box or colourful quality bags.

We continue to support "Opération Enfant Soleil" and the Quebec Breast Cancer Foundation during this year's Christmas season. A portion of our revenue during this time will be divided equally between the two organizations.
